Dear Sir:-

I have a request from the officers of the Chicago & North Western Ry. Co. to furnish them with a list of Radio Telegraph Stations and Amateur Operators, giving their names, street addresses and telephone numbers on whom the C&NW R.R. may call upon in case of wire failures, storms or other extreme emergencies where their service could be used to broadcast information to division headquarters or general officers.

Through the courtesy of the Milwaukee Ass'n. of Commerce I have been informed that an Amateur Radio Operator's Club of which you are the secretary, meets once a week in the Public Museum and that possibly you could furnish me with such a list of Amateur Radio Operators and their addresses, as is desired by our officers.

If you can be of any assistance to us in securing this information, can assure you that same will be appreciated.

Yours truly,

W. J. SULLIVAN, Agent.
